Does everyone in your household agree that you should adopt this animal?

Have you ever taken an animal to the animal shelter? .

If so, what was the reason you chose to do this? .

Are you able to provide complete care for this (these) pet, to include proper food, indoor shelter and veterinary care? Realize that cats can live as long as 20 years or more. Will you be able to care for a pet that long? If not, what is your plan for future care if you are unable to do so? Do you have the funds if kitty becomes sick and you need to go to the emergency vet (this can cost between \$200 - \$1000 and upwards.

I understand, by filling out this application out, that I will be considered for adoption. However that does not mean you will be chosen. The rescue will choose the home that is the best fit for each pet.
